

Lisa Henderson Knits

This pattern was generated for all of the itchy sock yarns that rub away at my ankles. Plus it is great for that one single skein of the good stuff!

Materials:

One skein of sock yarn
Double Pointed Needles - US 2 (2.25 mm)

Cuff

Cast on 60 sts with DNP's and work 6 rows with K1, P1 ribbing.

Work next 15 stitches in K stitch, then turn.

Purl 15 stitches on needle, then go across the next 15 stitches. You will now have 30 sts on this needle. This will be the heel flap for your sock. Place the left over 5 stitches you left over onto the other needle (Now all 60 stitches will be split between 2 needles).

Heel Flap

Work as follows for 30 rows

(RS) Slip 1, Knit 1 - across all 30 sts

(WS) Slip 1, Purl across

Turn the Heel

Start on WS row.

Purl 17 sts, P2Tog, P1, Turn

Slip 1, K6 sts, K2Tog, K1, Turn

Repeat until all stitches have been worked. You will have 18 stitches (approx)

Gussett

Pick up 15 sts along the edge from the heel flap to the second set on 30 sts.

Knit the 30 stitches on the other needle

Pick up another 15 stitches along the other side of the sock.

Set up the stitches as follows

Needle One: 9 stitches from heel flap and 15 stitches picked up

Needle Two: 30 stitches from beginning

Needle Three: 15 stitches picked up and 9 remaining heel flap stitches

Work one row even

On every other row, work the following decreases.

Needle One: K to 3 sts before end - K2tog, K1

Needle Two: Knit across even

Needle Three: K1, SSK, K to end

Continue this decreasing until 60 stitches remain again.

Sock Body

Work in stocking stitch until you are 2 inches away from the end of the toe.

Toe Decreases

On every other row, work the following decreases.

Needle One: K to 3 sts before end - K2tog, K1

Needle Two: K1, SSK, K to 3 sts before end of needle, K2Tog, K1

Needle Three: K1, SSK, K to end

Repeat this until 40 stitches remain on needles.

Now complete the decreases every row until 20 sts remain.

Graft the toe stitches. You are done! Add a pom-pom to the back, or crochet a cute picot edge on!.
